**F. De Angelis, A. Sgamellotti\*, and N. Re:** Density Functional Study of CO Insertion into the Metal–Alkyl Bond in Bis(cyclopentadienyl)–Zr–(CH<sub>3</sub>)<sub>2</sub>.

Page 4905. At the end of the first full paragraph in the first column, we omitted the following sentence: “A few extended Hückel calculations have already been performed on this system,<sup>1</sup> but no *ab initio* investigation has been carried out, to the best of our knowledge.”

We apologize to the authors for not citing them.
