

Correction to Homogeneous Gold Catalysis: Mechanism and Relativistic Effects of the Addition of Water to Propyne

Matthias Lein,* Matthias Rudolph, A. Stephen K. Hashmi, and Peter Schwerdtfeger

Organometallics **2010**, 29, 2206–2210. DOI: 10.1021/om900710v

In the original paper, one of the coauthors was given as Stephen K. Hashmi. The name appears correctly in the author list above.
