The Editor-in-Chief regrets the following errors in this paper.

The title should read “Award Winning Organometallic Chemistry:¹ the 2012 Yao Zeng Huang Award in Organometallic Chemistry”.

The first paragraph, third sentence, should read “Happily, that is starting to change,³ as evidenced by the establishment of the Yao Zeng Huang Award in Organometallic Chemistry in 2003.⁴”.

The caption for Figure 1 should read “Professor Guochen Jia (center) receiving the award plaque, Professor Yong Tang (left), Shanghai Institute of Organic Chemistry, the other year 2012 awardee, and Professor Qi-Lin Zhou (right), Nankai University, who conferred the awards in his capacity as Vice-President of the Chinese Chemical Society.
