

Correction to Impact of Organoaluminum Compounds on Phenoxyimine Ligands in Coordinative Olefin Polymerization. A Theoretical Study

Zygmunt Flisak,* Grzegorz P. Spaleniak, and Maria Bremmek

Organometallics 2013, 32 (14), 3870–3876. DOI: 10.1021/om4003347

The figures contain erroneous structures of the species **VIII** and **X** (Figure 4) and **XV** (Figure 6). The correct structures are provided below:

Also, in the reaction **XVI** \rightarrow **XVIII** (Figure 8), AlH_3 is missing as one of the reactants.
