Andrew W. Holland, David S. Glueck, and Robert G. Bergman: Photochemical Reactivity of Group 9 Metal Pinacolate Complexes.

Page 2250. The structural data for compound **5** reported in this paper were refined in space group *Pnam*, but unfortunately a typographical error was made and the space group was erroneously listed as *Pnma*. We are grateful to Dr. Kathleen Forman of the Cambridge Crystallographic Data Centre for calling this error to our attention.
